From the Venerable Master

The Ring, Rose, and Cap Ceremony was fabulous. I would like to Welcome and Congratulate the new members of the Fresno Scottish Rite. I would like to thank all the brothers who participated in the degrees. I have a philosophy when it comes to degrees, no matter how rough or smooth the road to getting there; we ultimately completed the task and made more Scottish Rite Masons!!! I had one brother tell me long ago that he enjoyed going to degrees because each one had uniqueness to it, the dynamics of the degree, the human element, and the spirit of the event. Even though our degrees (4th through the 32nd) are scripted the human element always has a tendency to be the biggest challenge. *Brain Fade*, *Brain Freeze*, or whatever you want to call it, missing your queue, or missing the mark, all are taken in stride and we adapt and overcome. Most of us are hard on ourselves for the mistakes we make and may even endure the friendly ribbing of our brothers. But at the end of the day we ultimately reach our goal, that of making candidates into full members!

I attended the Senior Warden Retreat in San Ramon on the 14th of May. During a couple of the break-out sessions we had a discussion regarding membership retention. It was mentioned that too frequently we bring new members into our Lodges or the Rite and then let them fend for themselves. What I mean by fending for themselves, is that at dinners or meetings we tend to remain in our cliques and fail to include the new member in conversation. Some fraternal organizations designate a member to be the greeter or they select a member to be the mystery greeter, this person is then required to speak to every person in the room. I believe that we have a great bunch of men who already do this on their own. That said, we should All Attempt to be the "Mystery Greeter" in our Lodges and at the Rite. So go forth and circulate!!

Brothers, we are now entering the time of year that we take the Rite on the road. The brothers in the outlying areas commute great distances nine months out of the year. If you count Executive Board Meetings, Stated Meetings, and Degrees some of these Brothers make that commute twenty-five times a year. I think it would be a fabulous gesture for all of us to make the same trek that they endure so many times a year. I'm asking during the next three months that we "Walk in their Shoes" and make the commute.

Mark Hodges, Venerable Master

From the Wise Master

When entering the Scottish Rite building last Monday evening before the stated meeting, I followed my normal routine. Signing in, retrieving my cap from the closet, and proceeded upstairs for our cathedral board meeting. From that point forward, the evening turned into a whirlwind of events.

I was ecstatic to learn that our clinic is going to be completely remodeled. And better yet, much of cash needed has been donated. I then proceeded to the banquet room where we enjoyed a wonderful dinner prepared by our in house chef and his faithful helpers. Followed by a presentation of bicycles to two students from Roeding Elementary School. Winners of our Americanism and Patriotism contest. Next, we awarded scholarships to three very deserving students from Cart School. And if that wasn't enough for the evening; we then proceeded to the lodge room for the beautiful Ring, Rose and Cap Ceremony. What a busy, eventful evening.

It takes a lot of time, talent and resources to accomplish these tasks. Just as is does throughout the year with all of our events and projects. Is it worth it?

If you were in attendance that Monday, you saw the smiles on the faces of the participants. The pride that shined on the faces of their family, teachers and friends. That evening will never be forgotten and will always be cherished throughout their lives. If you have had a child, grandchild or family member treated at our clinic. And witnessed the amazing results brought forth by Tom Tatum and his staff. Yes, it is definitely worth the effort.

We as Scottish Rite masons love what we do for the children and community. We do not consider giving our time, talent and resources a sacrifice. We consider it an honor, and wish we could do more.

Fraternity,

David Pitts, Wise Master

Building a Scholarship Donations

Thank you to all who are supporting "Building a Scholarship" fund. Your continued donations will allow us to expand our scholarship program and continue to support the deserving students of the C.A.R.T. School. Donations made this month by **Allen D Miller, Clyde & Patricia Johnson, John Tallmadge, David Pitts**. Thank you!

From the Commander, Council Kadosh

The last days of May were busy for me. I attended the California Grand Lodge Senior Warden's Retreat and had the great privilege of reading the "Cap" speech to the AASR Spring Class of 2011. The two events plus this year's annual "4th of July" celebration inspired me to write this month's article: What influenced the framers of our Constitution and Bill of Rights? The retreat and the staff presentations caused me to reflect and remind me of our main principles as Freemasons; "To a Freemason, The freedoms of thought, speech and action belongs to Mankind, regardless of race, religion and or gender." as succinctly explained in a popular Masonic website. The First Amendment of the Bill of Rights is that reflection. Our framers felt it was

important to establish these rights first. But why? Was there a historical reference an event in history perhaps? The "Cap" speech regarding the 32 Degree cap informs us of our martyred "brother" and his men as it infers to a period of time of roughly 600 years in Europe when the exercising of the freedoms of thought, speech and action meant a violent death. Could it be that period of time as the inspiring factor? I leave it to you to decide!

Regional Orient Membership Ambassador's Message – June 2011

Our broad system of ethics comes from the Masonic heart of goodness, forgiveness and kindness. It is the science of humanity that we teach. Our ethical degrees teach us to intensify friendships and brotherhood between men by quieting disagreements and to work constantly towards the betterment of humanity. We must generate happiness in and positive impacts on the lives of all those with whom we come into contact, teaching and living the power of laughter, brotherly love, relief and truth. Making people smile and laugh is consistent with the gratitude, joy and cheer we have received in studying and absorbing our Masonic degrees.

Among the many responsibilities of those with a Masonic heart is the duty to produce growth by recruiting the worthy and well-qualified to become Masters of the Royal Secret. The magnificent passkey we offer these candidates is to knowledge, comprehension, wisdom, tolerance and, above all, understanding the great central thought that inspired the universe, mankind.

Brethren:

The Fresno Scottish Rite Childhood Center is going to celebrate it's 20th year and we would like to propose that we begin with a renewal of our physical facility by making many needed improvements. These include replacing the carpets, painting inside and out, new therapy toys and tools, upgrade therapy computers and a new heating and air conditioning unit.

Our theme for this project is "Celebrating our Past and Renewing for the Future".

The cost to complete the entire project is approximately \$16,205.00. A complete breakdown of the cost for the has been detailed by the Clinic Board with the assistance of Tom Tatum.

We are appealing to you in hopes that you will help us financially with this project.

All checks for the improvements to the Childhood Center must be made out to the Fresno Scottish Rite Childhood Center and sent to Fresno Scottish Rite. The donor must stipulate that these funds are to be used exclusively for the improvements of the Center. Yes, we would also love cash. Just inclose a note with your donation stipulating how it is to be spent.

All contributions are deductible on Federal and State Income Tax under the Federal ID number 94-6078728.

The brethren of the Fresno Scottish Rite will be eternally grateful to you for your generosity.

Most Sincerely and fraternally,
Louis Jelinek, 33°, Secretary

Albert Pike

The [double-headed eagle](#) on the cover of *Morals and Dogma*.

Born in Boston, Massachusetts on December 29, 1809, [Albert Pike](#) is asserted within the Southern Jurisdiction as the man most responsible for the growth and success of the Scottish Rite from an obscure Masonic Rite in the mid-19th century to the international fraternity that it became. Pike received the 4th through the 32nd Degrees in March 1853 from [Dr. Albert G. Mackey](#), in Charleston, S.C., and was appointed Deputy Inspector for Arkansas that same year.

At this point, the degrees were in a rudimentary form, and often only included a brief history and legend of each degree as well as other brief details which usually lacked a workable ritual for their conferral. In 1855, the Supreme Council appointed a committee to prepare and compile rituals for the 4th through the 32nd Degrees. That committee was composed of Albert G. Mackey, John H. Honour, William S. Rockwell, Claude P. Samory, and Albert Pike. Of these five committee members, Pike did all the work of the committee.

In 1857 Pike completed his first revision of the 4°-32° ritual, and printed 100 copies. This revision, which Mackey dubbed the "Magnum Opus" was never adopted by the Supreme Council. According to Arturo de Hoyos, the Scottish Rite's Grand Historian, the Magnum Opus became the basis for future ritual revisions

In March 1858, Pike was elected a member of the Supreme Council for the Southern Jurisdiction of the United States, and in January 1859 he became its Grand Commander. The [American Civil War](#) interrupted his work on the Scottish Rite rituals. About 1870 he, and the Supreme Council, moved to Washington, DC, and in 1884 his revision of the rituals was complete.

Scottish Rite Grand Archivist and Grand Historian de Hoyos created the following chart of Pike's ritual revisions:

Degrees	When Revised
1°-3°	1872
4°-14°	1861, 1870, 1883
15°-16°	1861, 1870, 1882
17°-18°	1861, 1870
19°-30°	1867, 1879, 1883
31°-32°	1867, 1879, 1883
33°	1857, 1867, 1868, 1880 (manuscripts only)

Pike also wrote lectures for all the degrees which were published in 1871 under the title [Morals and Dogma of the Ancient and Accepted Scottish Rite of Freemasonry](#).

From the Fresno Scottish Rite Bulletin Co-editor

B.R. Hollenbeck, 32° KCCH

It has been the duty of the Consistory, over the years, to oversee the Education, Americanism and the Scholarship programs of the Scottish Rite Bodies. I am happy to report they were again this year, a great success. I would like to thank everyone for your help and support during the past few months. Thanks to the generosity of the Fresno Scottish Rite membership we were able to award scholarships at the CART school to very deserving students for their continuing education at the college level. The opportunity to present the annual scholarships to deserving senior high school students from the C.A.R.T. School at the last stated meeting was a memorable opportunity. The students and their families as well as everyone in attendance at the stated meeting seemed to enjoy the presentations. I wish to acknowledge the special and outstanding work of Brothers Bill Neal, 32° and David Kelley, 32° who were the backbone of the judging efforts where in three superior students were selected to receive the annual Fresno Scottish Rite Bodies Scholarships. This event again caused all of us to again reflect on the greatness of the youth of this nation and the generosity of the members of these Fresno Scottish Rite Bodies.

The Americanism and Education efforts of the Tulare School District and the Roeding Elementary School were very well received and made for a great year. The Scottish Rite Bodies through the Consistory have for the past few years sponsored two notable efforts in this area. The foremost is that of encouraging Patriotism and Americanism in the elementary grades in both the Fresno and Tulare Unified School Districts. In Tulare the Masonic Lodge sponsors and handles the task in an outstanding manor. Thanks to Ill. Allan Miller 33° and Robert Myers 32° KCCH the task goes on every year almost unnoticed by those of us in Fresno. However this year the local Tulare paper again did an outstanding feature article on the work of the lodge. Over 1000 Tulare 5th Grade students participated in that school district. At the same time we in Fresno were working with the Roeding Elementary Schools 5th grade classes. This year after judging the student's posters and essays, we were able to make presentations to the best poster and essay recipient at a school assembly and later to the first place winners at the April Stated meeting. We found it most rewarding to work with the outstanding students, teachers, and their very hard working principal. We are aware that not everyone had the privilege of hearing Michelle Apkarian, one of the students, read her essay so we have included a copy in this issue. We judged **her hand written essay** and it was heart felt, well thought out, and we felt, superb.

The degree work where in we inculcate morally upright principals has been and continues to be first rate. The extraordinary efforts of the officers, pageant cast and backstage crews were the key to making these presentation quality events. Our very memorable Ring, Rose, and Cap Ceremony culminated these efforts. The ongoing work of Childhood Language Center board on the Annual

Dinner Auction, which will be held, again at Pardini's in August is making great progress. Please plan on supporting this great event. We hope those who have a chance to participate in the 6th Annual Fishing Derby at Shaver Lake on 18 June will do so. This continues to be a superb family event.

This is a copy of the Roeding Elementary School 5th Grade essay.

What is Patriotism?

By Michelle Apkarian

Patriotism means to love one's own country and it means to me living in a country that we all have our freedom. I am happy to celebrate the Fourth of July because that's the day America got its' freedom. I like Thanksgiving because it's the day that we all give thanks for having our freedom.

I like being in this country because it is a beautiful place to live and we have the opportunity to vote and become whom we want to become and help others to do the same thing.

I also love this country because of how we all come together in time of need during natural disasters like Hurricane Katrina and the earthquake in Japan. We help all countries we can with what they need.

Our soldiers are the true patriots. They go out and fight for our countries to keep our freedom, our peace and peace in the world.

You don't have to be a famous leader like George Washington or a soldier to be a patriot. You can show respect for your country by standing up when the National Anthem plays during the Super Bowl or when the flag goes by. You can say the Pledge of Allegiance to the flag. You can show that you care about your country by doing things like keeping it clean. By your example, others may learn respect for their country
