FROM THE VENERABLE MASTER

Brethren,

Membership!! There it has been mentioned in this Article! We have a Ring, Rose and Cap Ceremony this Month on May 16th. The culmination of the hard work by a Cast of Good Men!!! Each member's journey started by the work of the "Top Line and Second Line" Signers on his petition or proposition. The men who recruited the new member to partake in our rituals!! Then came the Cast and Crews for the Degrees!! Outstanding degree work was done by All!

Rather than just say "Go find members" I try to give you the tools necessary to perform the task. We need more Scottish Rite Members to "sell" the craft. Please visit your home lodge or a lodge close to you, a few times and find a couple men who have similar interests and get them into the Scottish Rite. We need our members to become Ambassadors for the Scottish Rite in their respective Lodges. We should do not want to appear to "Hit and Run" with Blue Lodge members! Invest some time at your lodge and watch the fruits of your labor grow to be new members of Fresno Scottish Rite.

Mark Hodges, Venerable Master

FROM THE WISE MASTER

Recently I had the privilege and honor of representing Scottish Rite, Valley of Fresno, at the Rainbow Girls Grand Assembly. I attended on Sunday evening; which is the same evening the Grand Master is introduced, accompanied by most of his Grand Officers. Also in attendance were many other Masonic dignitaries representing various groups. I will never forget the enthusiasm and energy generated by those young girls. The evening was truly Masonry at one of its finest moments. If you have not had the opportunity to witness this event, please take the time to do so in the future. I guarantee you will walk away that

night with a smile on your face and love in your heart.

Maundy Thursday was a great success. I would like to thank all of the

officers of the Chapter, the participants in the ceremony and all in attendance for a wonderful evening. And a special thank you to Allan Miller 33 degree and his kitchen crew for their dedication and another fine meal.

We will begin traveling in June to advance the line of the lodges. The dates, times, and venues will be published and you can always car pool from the Scottish Rite. I hope many of the brethren will travel with us.

David Pitts, Wise Master

FROM THE MASTER OF KADOSH

Brethren,

In today's high pressure world we understand that for some, being able to make it to all our Lodge meetings isn't always a possibility. For those of us who face these challenges and for our most active Brothers who just want to stay better connected, I would like to encourage all our members to join the Fresno Scottish Rite's Facebook Group.

As I sit here writing this, our Facebook group only has 59 members. I know there are more of you online than that, so come on, join and help our members stay better connected on that great big cyber-lodge so

many of us have come to know as Facebook.

Andrew Miller

Master of Kadosh of the Consistory

FROM THE COMMANDER, COUNCIL KADOSH

**To the Fresno Valley Scottish Rite
Spring Class of 2011,**

Soon you will complete the degree work and participate in the Ring, Rose and Cap Ceremony. As most of you found out, the esoteric, philosophical and historical information embedded into the degrees can be overwhelming. Some of you may be concerned that you may have not fully absorbed the knowledge that was communicated to you. But fear not. As you know by now, Masonic education is a continuing lifetime experience, requiring the serious student to venture

on his own and achieve through self discovery. I believe the degrees ignite that curious spark within you and into those that seek spiritual truths. The degrees did it for me. I am no expert or claim to know all that has to be known about the craft. However, I feel that the degrees have provided me the guidance to further explore for the truth. The degrees help initiate the expansion of your conscience and awareness regarding the universe around you. This is only the beginning of your journey.

Vincent A Villarta, Commander

REGIONAL ORIENT MEMBERSHIP AMBASSADOR'S MESSAGE (May 2011)

When we truly become Masons in our hearts, the concrete wall that separates us from knowledge, understanding and wisdom is broken down. The 4th through 32nd degrees give the Master Mason more insight about the Creator of all people, the Grand Architect of the Universe. He is the Father of us all, who wants to give us joy, pleasure and happiness. In return he wants us to realize that every day can be a day of new opportunities and fresh beginnings.

It is, therefore, important for us to be builders of our membership. We should work to give new members, current members, and the members we need to reinstate, the joy, delight and pleasure of attending regularly, climbing the heavenly ladder and being builders of our Order, just as in ancient days, splendid architectural porticos, temples bridges, amphitheatres and aqueducts were built and left as models for the nations of the present day to admire and imitate.

Our Brotherhood, operating in lodges of labor and extending through many lands, built many of the noblest structures of the Middle Ages. When our magnificent Fraternity began it was a real phenomenon. Freemasonry was, in those days of violence, the ally of religion and assisted the Church to represent - in forms of enduring beauty and grandeur - the sublime hopes of the soul aspiring to God and immortal life. Let us all strive to continue the building of our great Order. It will be a blessing to us and to all whom we recruit, retain and reinstate.

The Island of Porkencut (Pork - N - cut) is in a chain of Islands in the Center Sea off the coast of the country known originally as Tuskenroot (Tusk - N - root) today it's called Tuscany. The inhabitants lived off the sea and were renowned sailors that enjoyed visiting other Islands in the chain. One brave Captain, Millallener (Mill - allen - er), sailed to the Island of Porkencut and immediately fell in love with the people, the lush vegetation and the wonderful mild year around climate. Tired of the sea, Millallener settled along the coast and became close friends with the locals. A family befriended him and invited him to dine with them and he accepted the invitation. That evening upon arriving he was greeted by their lovely young daughter Sheree. They hit it off immediately and romance blossomed over the Summer months. He decided to propose and invited Sheree's family to a feast to announce their engagement. At the local butcher shop he purchased a choice cut of pork. He fancied himself as a gourmet chef and prepared his finest meal for the family. Choice Center Cut Pork Chops hot off the grill. He served the "Braised Pork Chops" with tomato & garlic sauce, garden fresh vegetables, cole slaw and sherbet for dessert. The feast was a success, Sheree's father agreed to the engagement, a date for the wedding was set and the rest is history. Our "Gourmet Chef" will be preparing this very same feast at our May 16 Stated Dinner. Call your reservations in now.

Allen Miller, 33°, Banquet Chairman and - "Gourmet Chef"

State Center Chapter Order Of Demolay

My Brothers,

I bring you greetings from State Center Chapter Order of DeMolay. Great things are happening with State Center Chapter. So far from October 1, 2010 we have initiated 6 new DeMolay, with three more waiting to be initiated. We have been very busy working on improving our business meeting and our ritual work. We have many fun and exciting events coming up: including fun events with the other youth groups, various Masonic service projects and DeMolay Leadership Conference.

This Conference is a week long experience for DeMolay to participate in, learning leadership, fellowship, project planning, business meeting preparation and execution. They play many different sporting events and team building exercises. This event will be held from July 3, to July 9, 2011. There are a lot of young men from DeMolay in our area that would benefit from this experience. If you can help by sponsoring a DeMolay from Fresno or Lemoore area please call Juliet at the Scottish Rite office and she can put you in contact with the leaders of the DeMolay Chapters.

As you know May is Mother's Day and June is Father's Day. In honor of these two days I would like to share with a few thoughts from DeMolay. In DeMolay the members are obligated to seven cardinal virtues. Their first precept is Filial Love, they as young men, are eager to enter into manhood; but let them pause and reflect on their parents or on the ones that took care of them during their early years. Let them remember that they have sacrificed more than they will ever know. As God wrote in his commandments "Honor thy Father and Thy Mother". In Closing I would like to quote from one of our prayers, "Wilt thou pour out a special blessing for our mothers who have watched over us with unceasing care during all the years of our lives?"

Mardi Gras Dinner Auction

Advertise your business in the Auction program for \$50 business card and \$250 half page.

Live and Silent Auction items are being gladly received at the Scottish Rite Office now.

"J" came to the clinic as the kid nobody wanted in their class. Inattentive loud poking his classmates and never getting his work done. "J" learned how to use diet, exercise and "talking to himself" to focus his attention. He came to us 3 grade levels behind and now is in a gifted program. The computer game Logical Journey played a critical role in him learning to Top Down Process. We use language (top) to tell our body (down) what and how to do things.

You can be a part of the Center helping kids. The SaveMart SHARES card creates a donation of about 3% to the Center. The Center receives about \$300 a month from people just having their SaveMart SHARES card swiped by the teller.

Secretary's Corner

FYI ...When you enter the Library at Scottish Rite, please notice the wooden box on the conference table with publications from other Scottish Rite and Masonic bodies. You are welcome to any of these publications. I find it helpful to see what other Masonic bodies are doing with their time. We are all facing the same challenges of membership, philanthropy and finances. I find it inspiring to learn how others are meeting our collective current concerns. Take a look!

Recently I had the opportunity to attend a ceremony where Scottish Rite awarded an achievement medal and certificate to a member of Junior ROTC. What a great experience! Warren Hill and Ron Markarian have been very instrumental and diligent in their task of attending and bestowing these awards though out the years. Thank you.

If you received a reminder for your 2011 dues please pay it now.

Three Great Lights Of The Lodge

The Masonic Temple is representative of the building of the internal temple of mortal man's spirit. Symbols decorate our lodge room. They are there to remind us of certain magnificent truths. The performance of our rituals within the Symbolic Lodge is also to teach us moral, political, religious and intellectual truths. When we observe and participate in the rituals, do we know what is really going on? Do we truly understand the deeper secrets hidden behind their allegorical stories and symbols?

The Masonic Temple is not only a place for Brothers to meet in harmony, fellowship and brotherly love. It should also serve as a facilitator for understanding and reflecting upon what the hidden messages our symbolisms and allegories are saying.

At the beginning of each Stated Meeting the Senior Deacon goes to the altar and opens the Volume of Sacred Law, places the Square and Compass upon it. These are the *Great Lights of Masonry*. He then reaches over to turn on three lights. Those are the *Three Great Lights of the Lodge*. They symbolize the Sun, Moon and Master of the Lodge. As the Sun gives light by day and the Moon by night so it is the business of the Master of the Lodge to dispense Light within the Lodge. *

These three great lights represent Wisdom. Mortal man can only attain Wisdom by seeking Light – metaphorically meaning seeking knowledge. What better way to dispense Light within the Blue Lodge than for the Worshipful Master to be the great facilitator in encouraging all Brothers to participate in that endeavor?

My fellow Brothers, are all three lights in your Lodge burning brightly?

Brother John L. Tracy 32^o

SCOTTISH RITE HISTORY

(Continued from April 2011 Issue)

Jack V. Farson, 33°

Charter of the Rite of Perfection 25°

A French trader, by the name of Estienne Morin, had been involved in high degree Masonry in Bordeaux since 1744 and, in 1747, founded an “Ecosais” lodge (Scots Masters Lodge) in the city of Le Cap Français, on the north coast of the French colony of Saint-Domingue (now Haiti). Over the next decade, high degree Freemasonry continued to spread to the Western hemisphere as the high degree lodge at Bordeaux warranted or recognized seven Ecosais lodges there. In Paris in the year 1761, a Patent was issued to Estienne Morin, dated 27 August, creating him “Grand Inspector for all parts of the New World.” This Patent was signed by officials of the Grand Lodge at Paris and appears to have originally granted him power over the craft lodges only, and not over the high, or “Ecosais”, degree lodges. Later copies of this Patent appear to have been embellished, probably by Morin, to improve his position over the high degree lodges in the West Indies.

Early writers long believed that a “Rite of Perfection” consisting of 25 degrees, the highest being the “Sublime Prince of the Royal Secret”, and being the predecessor of the Scottish Rite, had been formed in Paris by a high degree council calling itself “The Council of Emperors of the East and West”. The title “Rite of Perfection” first appeared in the Preface to the “Grand Constitutions of 1786”, the authority for which is now known to be faulty. It is now generally accepted that this Rite of twenty-five degrees was compiled by Estienne Morin and is more properly called “The Rite of the Royal Secret”, or “Morin’s Rite”. However, it was known as “The Order of Prince of the Royal Secret” by the founders of the Scottish Rite, who mentioned it in their “Circular throughout the two Hemispheres” or “Manifesto,” issued on December 4, 1802.

Morin returned to the West Indies in 1762 or 1763, to Saint-Domingue, where, armed with his new Patent, he assumed powers to constitute lodges of all degrees, spreading the high degrees throughout the West Indies and North America. Morin stayed in Saint-Domingue until 1766 when he moved to Jamaica. At Kingston, Jamaica, in 1770, Morin created a “Grand Chapter” of his new Rite (the Grand Council of Jamaica). Morin died in 1771 and was buried in Kingston.
